2. Please fill out this form as completely as possible. This is where the information for the permanent record comes from. If the form is not filled out completely, the permanent record may be incorrect. This information will follow your child his/her entire life and every time he/she receives a sacrament in the church.
3. These areas have been a problem in the past, please fill out completely.
 - a. Child's full name (first, middle, last)

5. Parents should call the parish office to schedule the baptism once they have attended the baptism class, completed the registration form, and after they have the Godparent's sponsor certificate in hand. We do not schedule baptisms from this form. To avoid chaos the number of baptisms at one time is limited to no more that two families per Holy Mass and no more than 4 families outside of Holy Mass.
If a date is full, you will have to schedule another day.
6. The person receiving the Sacrament of Baptism should be wearing a white garment. For example a white dress, suit, shirt, etc.
7. If you are having your child baptized at another church we will need to send a letter to the church informing them that you are a parishioner, and that you have attended the baptism class. You will need to call or email the church to request this letter. On the data form, please provide all the needed information:
