**Gospel Reading – Sunday, November 10, 2024**  
*Mark 12:38-44*

***Jesus notices a poor widow's offering and commends her great sacrifice.***

In the first part of today's Gospel, we hear Jesus warn the crowds not to follow the example of the scribes in seeking honor and attention from others. It is important to recall that Mark indicates that Jesus taught these things while in the vicinity of the Temple in Jerusalem. Mark is setting the stage for Jesus' passion.

Jesus then observes how Jewish pilgrims are making their contributions to the temple treasury. The Temple in Jerusalem was the center of Jewish worship in the time of Jesus. It was expected that observant Jews would make pilgrimages to the Temple to offer prayer and sacrifices. Pilgrims were also expected to make a financial contribution to the temple treasury.

As we would expect to be the case, Jesus observes that those who were rich contributed large sums to the treasury. Those with less means made smaller contributions. Jesus calls attention, however, to a poor widow who makes the smallest of contributions, two coins of little value. Jesus upholds the poor widow's offering for his disciples' consideration, commending her because her small offering was an act of profound generosity, giving from her livelihood rather than her surplus.

To give from our livelihood is not only an act of generosity, it is also an act of trust in God. We can only give from our need if we trust that God will provide for us. Jesus himself demonstrates the ultimate act of generosity and trust in God as he gives his life for us on the cross.

## Ten Myths about Abortion (Part I)

- (1) "Abortion is legal only during the first three months of pregnancy". **FACT:** Abortion is legal in the U.S. throughout the entire 9 months of pregnancy for any reason at all.
- (2) "Abortion is legal because the Constitution says so". **FACT:** Legal abortion is entirely the result of judicial activism. It was imposed upon the country in Roe v. Wade by unelected judges.
- (3) "Most Americans agree that abortion is legal". **FACT:** According to national polls, 61% of Americans say abortion should be illegal after the baby's heartbeat has begun---which occurs in the first month of pregnancy. 86% say abortion should be illegal after the first 6 months. Only 14% say abortion should be legal at any time for any reason (which is the current law).
- (4) "Abortion is quite rare in the U.S." **FACT:** About 3,500 abortions take place each and every day in the U.S. About one quarter of all pregnancies end in abortion. It is truly the silent and unseen holocaust of our age!
- (5) "Most abortions in the U.S. are done for the mother's health or because of rape or incest". **FACT:** Well over 90% of abortions are because of timing, affordability, lack of support from partner or other convenience issues. Conversely, health, rape and incest factors are the reason for only a tiny fraction of all abortions.

## From St. Faustina's Diary

### *O Blood and Water Meditation*

I will daily repeat this act of self-oblation by pronouncing the following prayer which You Yourself have taught me, Jesus: **"O Blood and Water which gushed forth from the Heart of Jesus as a Fount of Mercy for us, I trust in You!"** (*Diary*, 309). **I am giving you a share in the redemption of mankind. You are solace in My dying hour** (*Diary*, 310).

### *My Prayer Response With St. Faustina*

Jesus, You taught St. Faustina to daily renew her oblation of herself for sinners and so share in Your redemption of mankind by a prayer of trust: **O Blood and Water which gushed forth from the Heart of Jesus as a Fount of Mercy for us, I trust in You!** (*Diary*, 309). Help me to trust in You even more!

*The words of Jesus appear in boldface type.*
